

Measuring LIFE FORCE- and Low Frequency EMF Pollution using FLAMEINMIND.com

2 ways to use the sensor

Place the sensor in a room, on a tree, ...

In this case, avoid to stay in the room (or too close from the sensor) during the recording, because your own antenna will interfere with the measurement

OR

Take the sensor in your hands (2 ear sensors)

In this case, your body will be the antenna

Touch the middle lower button
Search Sensors

to connect the
Muse Headset

Touch the SCAN button

The name of your headset is displayed in the list.

Touch the name in the list

The serial number and the battery level are displayed

Click OK

Do not be concerned
about the noise comments
concerning brain waves

To Go to the Main Menu
Touch the lower left button

Brain Waves

Life Force

EKG Heart Coherence

Emotional Balance

Flame SnDs

Select If you want to use:

Brain Waves - Life Force - Emotional Balance

3 main parts in the App (selected with lower buttons):

Analyser (lower left button)

Connection with the sensors (lower middle button)

Sound Wave Generator (lower right button)

To make a live session, make sure BlueTooth is ON.

Use the lower middle button to connect the sensors.

Than touch the Analyser lower button to go to the Analyser.

FlameinMind now includes FlaminSounds app.

Once FlameinSound selected
